

THE CRAFTSMAN'S SYMBOLOLOGY

*The first book by **Brother Anthony Mongelli, Jr.**, and the first in a planned set of nine volumes that will study selected symbols of three degrees of Craft Masonry.*

BOOK 1: SELECTED SYMBOLS OF THE ENTERED APPRENTICE DEGREE

This is the first in a three-volume set that treats nine symbols and emblems of the first degree of Freemasonry, that of Entered Apprentice. This first volume, Book 1, discusses the circumpunct (the point-within-a-circle), the twin pillars and the Masonic apron. The section on the circumpunct is perhaps the most exhaustive treatment of this astounding symbol. Features a revised and expanded version of the essay "Some Words to Newly Made Masons," original artwork by Bro. Michael Perez, and original Masonic poetry. Each chapter is extensively footnoted, features copious illustrations and a complete reference list. Foreword by symbolist Michelle Snyder.
