MASTER'S MESSAGE

Fraternal Greetings All,

As we return from our Grand Lodge Annual Communication, we renew our Masonic spirit under new elected and appointed leadership. Matawan Lodge #192 congratulates MW Gregory J Scott, Grand Master of Masons for the State of New Jersey, RW Gary J Olsen as the Junior Grand Warden, and RW James Sestito as Grand Chaplain, amongst the other incoming officers.

A few years back, I was fortunate to meet with MWGM Gregory J Scott, for his counsel regarding Lodge finances and we talked about the future time that we would both rise to lead in our respective stations. I was thankful then and I am honored now to serve under his leadership as MW Grand Master. We should all expect to see the finest of Masonic principles demonstrated from our leadership this year.

The Grand Master's primary message this year is Unity. He is noted to begin his speaking engagements with the beginning of Psalm 133. I was able to find a "Short Talk" writing from December 1931 titled "The Three Scripture Readings" and took this excerpt below. Let's be sure we give every effort to support the new MW Sir. Enjoy!!

The 133rd Psalm reads as follows: "Behold, how good and how pleasant it is brethren to dwell together in unity! It is like the precious ointment upon the head, that run down upon the beard, even Aaron's beard: that went down to the skirts of his garments; As the dew of Hermon, and as the dew that descended upon the mountains of Zion; for there the Lord commanded the blessing, even life evermore."

Master's Message cont.

Cordially and Fraternally,
Arthur J. Campbell, Worshipful Master 2019

Master's Message

Unity is an essential in a Masonic lodge; unity of thought, of intention, of execution. It is but another word for harmony, which Freemasons are taught "is the strength and support of all well-regulated institutions, especially this of ours. Dew is nature's blessing where rain is little in quantity, and the dew of Hermon is proverbially heavy. Israel poured precious ointments on the heads of those the honored; that which "went down to the skirts of his garments" was evidently great in quantity, significant of the honor paid to Aaron, personification of high priesthood, representative of the solidity of his group. The whole passage is a glorification of the beauty of brotherly love, which is why it is a part of the First ' , in which the initiate is first introduced to that principle tenet of the Fraternity."

Freemasonry: A Rich Heritage

Freemasonry promotes a way of Life that binds like-minded Men with the principles of brotherly love, relief, and Truth in order to serve God, Family, Country, Neighbor and Self.

It is our connection with 300 years of history; 600 years of heritage, 1000 years of tradition, 3000 years of legend, and 6000 years of enlightenment. Employing the ancient mystical heritage of Freemasonry and the symbolism of architecture, like-minded Men help impart awareness and knowledge to build character, one Brother at a time.

The Square & Compasses as a compound symbol predates even our oldest references to the Masonic fraternity. References to these tools are found in various esoteric traditions that stretch back to antiquity. The union of the two assists Freemasons in the pursuit of Truth and a higher level of Consciousness.
