### MASTER'S MESSAGE

“Brethren, we are now about to quit this sacred retreat of friendship and virtue, to mix again with the world.”

Brethren All, I bid you greetings from the East!

As we prepare for our summer break, I wish to thank each member and friend of Matawan Lodge #192 for your labors, your attention, your dedication, your respect, and your service to the Brethren. For we know a Lodge is not its walls but its bonds of friendship and Brotherly Love.

As we prepare for our summer break, I commend you for your Diligence, Prudence, and Temperance through our first half of this year. “Masonic Fatigue” has mounted and yet we have persevered.

As we prepared for our summer break, I ask that you forget not the duties you have heard for frequently mentioned in Lodge and continue to be the Light that makes you a Mason, to be the Light that you aspire to be as a Mason, to be the Light that others are drawn to as a Mason.

As we prepare for our summer break, I ask that you look inward and reflectively ask yourself if you are the Brother that needs to be reminded of his failings. Are you really exercising and promoting Faith, Hope and Charity? Are you promoting Brotherly Love? Are you suggesting the most charitable judgments of your Brothers in your mind and through the spoken word?

My Brothers, at this Altar you PROMISED... Is that a promise kept or a promise lost?

I extend to each of you my Right Hand with Love and Peace and wish you and your families an amazing time of reflection and refreshment.

Cordially and Fraternally,  
Arthur J. Campbell, Worshipful Master 2019

#### Freemasonry: A Rich Heritage

Freemasonry promotes a way of Life that binds like-minded Men with the principles of brotherly love, relief, and Truth in order to serve God, Family, Country, Neighbor and Self.

It is our connection with 300 years of history; 600 years of heritage, 1000 years of tradition, 3000 years of legend, and 6000 years of enlightenment. Employing the ancient mystical heritage of Freemasonry and the symbolism of architecture, like-minded Men help impart awareness and knowledge to build character, one Brother at a time.

The Square & Compasses as a compound symbol predates even our oldest references to the Masonic fraternity. References to these tools are found in various esoteric traditions that stretch back to antiquity. The union of the two assists Freemasons in the pursuit of Truth and a higher level of Consciousness.
