TRESTLEBOARD — SEPTEMBER 2018

DESIGNS UPON THE TRESTLEBOARD

MASTER'S MESSAGE

As we come to the end of our summer break, I hoped you've all enjoyed a wonderful time with your families. Hoping that you were able to enjoy some travel away from home and explore some fascinating destinations. During this break, we had some brothers who took the time to volunteer their labor and skill to bring some much needed improvements to our lodge. Their hard work had an immediate impact on both the appearance and amenities of the lodge. I'm sure you will be delighted to see the results and extremely grateful for their contributions of their time, labor and material needed for these improvements.

These brothers represent and identify with the true definition of what it means to be a Freemason. Their laborious efforts are a good representation of Charity. Their efforts are not only admirable, but also inspiring. Hopefully, this will inspire all of us to continue to strive for these much needed improvements for all of us to enjoy at our lodge. I'm extremely proud of them and glad to be able to call them my brothers.

Cordially and Fraternaly,
Nelson Saavedra
Worshipful Master 2018

“Freemasonry must stand upon the Rock of Truth, religion, political, social, and economic. Nothing is so worthy of its care as freedom in all its aspects. ‘Free’ is the most vital part of Freemasonry. It means freedom of thought and expression, freedom of spiritual and religious ideals, freedom from oppression, freedom from ignorance, superstition, vice and bigotry, freedom to acquire and possess property, to go and come at pleasure, and to rise or fall according to will of ability.”
