TRESTLEBOARD — NOVEMBER 2018

DESIGNS UPON THE TRESTLEBOARD

MASTER'S MESSAGE

Brethren,

Freemasonry embodies oneself to promote a way of life that binds like-minded men in a worldwide brotherhood that transcends all religious, ethnic, cultural, social and educational differences; by teaching the great principals of Brotherly Love, Relief and Truth; and, by the outward expression of these, through it's fellowship, it's compassion and it's concern, to find ways in which to serve God, family, country, neighbors and self.

What do we get out of our fraternity? A lot of pride, and a sense of belonging to an organization that exists all over the world. Being a part of a great heritage. Sharing an identity with some of the greatest men of the past, and of today. Sharing a special bond with like-minded men from all walks of life, and creating lifelong friendships with them. Just being a member of an organization that believes in toleration; that lets each man think for himself and express his own opinions, without worrying about being wrong. We get a whole lot more out of Masonry than we put into it.

I wish you and your families a very Happy Thanksgiving, full of joy, happiness and love.

Cordially and Fraternally,
Nelson Saavedra
Worshipful Master 2018
